9:30-10:30 am  PRACTICE SMARTER, PLAY BETTER, All levels, Cathy Fink, Andy Griffith Museum Theatre/Lower level Andy Griffith Museum
   Many people lack the tools and organization to make practice really work for them. We procrastinate, we postpone, we goof off and we play the tunes or songs we already know over and over again. This workshop will help you take what you learn here and elsewhere and apply it. There are simple, methodical ways to organize your practice and you’ll see the improvement within a few days.
10:45-12:00 pm  COUNTRY CLASSICS, All levels, Cathy Fink, Andy Griffith Museum Theatre
   Two and three chord songs by Hank Williams, Kitty Wells, The Louvin Brothers, Johnny Cash and more. Part workshop, part sing-along, great way to build confidence on these heart and honky tonk tunes.
